Reply to complaint,
PDC Case Number 143912

Thank you for the email and the opportunity to reply. All of my contributions and expenditures are accurately reported as of October 23, 2023. After September 27th, 2023 I chose to use mini reporting. The allegations from Ms. Perry of 2 non profits funding me are baseless and vague since the organizations are not mentioned by name. The pictures submitted as evidence of donors are not from my venmo account and those are not my donors. She is confusing another candidate's Facebook post in which I was tagged by someone else's campaign.

Ms. Perry has been a vocal opponent of my campaign and I feel she is trying to cause issues for us since she can't speak against my platform and the community support she is seeing in Sunnyside. I hope this can clear up this matter and I am happy to reply to any other questions you may have.

Sincerely,
Anna Saenz
