The campaign received the notice of the alleged violation on November 6, 2023. Upon receipt the campaign looked into the allegations. The campaign was under the misunderstanding that the 21-day requirement was only if there had been a Last Minute Contribution that was required to be filed under the RCWs as indicated in the allegation. The campaign also was mistaken on the 7-day requirement as well. The campaign corrected its misunderstanding on November 6, 2023, and submitted the required C-4 filings within 6 hours of receipt of the alleged violation from the PDC. The campaign should be fully up to date on all C-4 filings as alleged.
