<b>Complaint Description</b>
<p>Robert Parker</p> <p>Sat, 10 Feb 2024 at 1:28 AM</p> <p>Committee file the 7-day C4 filing a day late, It was due on 2-6 but not filed until 2-7-2024.</p> <p>Committee has a large number of yard signs supporting the bond and levy however there is no evidence of the yard signs, or the stakes purchased on any of their C4 filings. These signs have been up for a while yet even with the late and final C4 filing there is no record of these signs. How can their campaign balances be correct if the sign purchase is not recorded. I see no debts recorded covering the purchase nor could I find a record of an independent expenditure that may explain the lack of record.</p>
<b>What impact does the alleged violation(s) have on the public?</b>
Lack of transparency for the actual expenditures of the committee to the voters.
<b>List of attached evidence or contact information where evidence may be found</b>
2 photos of the yard signs not recorded on C4 filings.
<b>List of potential witnesses with contact information to reach them</b>
<p>Treasurer</p> <p>Joelle Lovestedt</p>
