Following up our phone conversation, here are the documents stating we were approved for the \$2000 from the Washington State Democratic Central Committee. There is an email change between them and our Chair, Joe Bruening as well as the bank documents of when the check was deposited.

The check was mailed out on August 23rd but I didn't physically receive the check until August 30th.

See attached image of the letter of when the mail was sent.

Sincerely,

Andrew Gnanaswaran
