Complaint Description
<p>Robert Parker</p> <p>Mon, 1 Apr 2024 at 3:50 PM</p> <p>Appears that the former candidate and school board director failed to file his post-election reporting as required. That would make the reporting of (EY21) filing multiple years late.</p> <p>As the PDC can clearly see, the candidate has continued to make a mockery of campaign finance laws and continued a long history of noncompliance. Go ahead and issue another warning to rid the commission of this complaint as well.</p>
What impact does the alleged violation(s) have on the public?
Continual and habitual lack of transparency by candidate Bird to the voters. The violations and lack of true enforcement since 2021 has proven the campaign finance laws are just suggestions.
