Hi Jennifer,

This is my first year in the Adams County Democrats, but our secretary/treasurer, Barb Caylor, was secretary/treasurer in 2009, and has held her position every year since. We have met and discussed this, and her understanding is that in 2009, she filed a form requesting no need to file because our income was less than \$10,000. In fact, it has been less than \$1,000 every year since. She does have all receipts, but as we currently have only \$240, I believe she is not required to file.

If you would like to speak with Barb directly about this, you can reach her via email at caylorbee@aol.com

thank you,
Howard Vandermark
