Good afternoon,

This is our written response regarding PDC Case Number 156213.

This report was late but has been filed, once this was realized the report was generated and sent to the PDC. It was sent via USPS postmarked June 18 2024 to the PDC. I've also attached a PDF copy of the report that you should have received via USPS. We apologize for the inconvenience of the late report but this information has been filed with the PDC for public records.

Should you need any additional information please feel free to contact me.

Thank you,

Robert W. Reap

General Secretary-Treasurer

Heat and Frost Insulators and Allied Workers
