RE: Response to Alleged violation of RCW 42.17A.235,.240, .320 for failure to timely and accurately report contributions and expenditures and failure to provide complete sponsor identification on their website.

I appreciate the feedback from the public. I have updated the deposit date of the contribution received on 5/9/24 to reflect the actual deposit date which was 5/9/24. The late filing was due to my pre-occupation with my mother who was very sick for a short period of time and she ultimately passed on June 3, 2024. I have also updated my website to show my address. As far as the late filing of the reports, I can assure the PDC and the public that all reports going forward will be done in a timely fashion in accordance with RCW 42.17A.235,. 240,.320.

Sincerely,

Marnie Claywell
