Regarding Case Number: 156307

Good Afternoon!

I spoke with a File Assistance Specialist this afternoon, Scott.

He was very helpful and was able to advise me on where the non compliance happened in our reporting.

I have now submitted the C4 report and all C3 reports necessary to be in compliance. After speaking with Scott, I am clear now on the reporting timelines for each of these reports and will do this every month on time.

Thank you for your help and bringing this to our attention. I will check in periodically to make sure we are in compliance as well.

If you need anything else from me, or if I missed anything please let me know.

Stacy
