Complaint Description

Conner Edwards reported via the portal (Tue, 13 Aug 2024 at 11:24 AM)

Description of Complaint

Because this respondent made contributions to candidates participating in the primary election, the respondent was obligated to file a 21 and 7 day pre-election C4 report due on 7/16/24 and 7/30/24 respectively.

It failed to do so. Instead, it disclosed nearly \$100,000 worth of spending that should have been disclosed before the primary election only well after the primary election. See report: https://apollo.pdc.wa.gov/public/registrations/campaign-finance-report/110238229

Additionally, on the same C4, it indicated a nearly \$800 expenditure for printing of awards. This expenditure fails to include the number of awards that were printed, which is required by WAC 390-16-205.

Notice to Respondent

I apologize to you for any inconvenience caused by this complaint.

This complaint is one of hundreds that I have filed to highlight and ultimately fix the significant shortcomings associated with the agency responsible for administering our state's campaign finance laws.

What are these shortcomings?

Overcomplicated and outdated requirements that are difficult to understand and comply with. Failure to properly educate filers about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.

I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency's problems become impossible to ignore.

Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/

If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.

"Be the change that you wish to see in the world."

— Mahatma Gandhi

What impact does the alleged violation(s) have on the public?

The PDC has an obligation to provide transparency to the voters by enforcing filing requirements. The agency's failure to actively monitor the filings of committees and enforce filing requirements damages both the public and the candidates themselves.
