Dear Jordan Campbell,

Thank you for notifying me of PDC Case Number 159745. Upon reviewing the complaint, I noticed that the C4 report cited by the complainant references Jonathan Welch, a candidate for County Council Member in San Juan County, rather than myself, Joshua Good, candidate for Skamania County Commissioner District 2. I would appreciate clarification on this matter.

Additionally, I did not advance to the general election, and I am unsure about any further reporting obligations I may have moving forward. Any guidance you can provide would be helpful.

Please note that I am traveling in an area without internet or cell coverage and will not be available for further correspondence until after October 3, 2024. Could we schedule a time for a phone call on October 3 to discuss the next steps?

Thank you for your assistance, and I look forward to your response.

Sincerely,

Joshua Good

Candidate for Skamania County Commissioner
