RE: **159776**

To Whom it may concern at PDC,

WOPAC is a small PAC affiliated with Optometry's professional organization in Washington State, (Optometric Physicians of Washington). It is run mostly by volunteers who are optometrists (with full time jobs). Check writing, distribution, and reporting are done by different individuals. We make every attempt to communicate efficiently and be timely with our reporting. We will do better in the future.

Sarah Storrs OD,

WOPAC Chair
