Dear Tabitha,

I am writing in response to case 160636 regarding the doorhangers distributed by our county party that did not include a full address. We were not aware of the requirement that the full address needed to be included on all printed materials, including doorhangers in the sponsorship ID.

To rectify this, we will immediately be applying labels with the necessary address information on the remaining doorhangers we have in our possession. Additionally, moving forward, we will ensure that all of our printed materials contain the proper sponsorship identification, including the full address as required.

We take compliance with campaign regulations very seriously and appreciate your guidance in this matter.

Thank you for your attention to this issue, and please feel free to contact me if further information is needed.

Sincerely,

Matt Brown
