Good afternoon,

Below is my written response to the complaints of William Baur, PDC Case Number 161014:

While the complaint misinterprets some of the information that was reported correctly, I have filed amended F-1 reports to further clarify certain payments between the Evergreen School District and my wife's company. The complaint inaccurately identifies me as the owner and salesperson of the company, roles which were clearly attributed to my spouse in the original reports. Additionally, the complaint mentions total payments exceeding \$12,000. However, the PDC only requires disclosure of individual payments of \$12,000 or more, not cumulative payments over a period of time.

If you need any other information from me, please let me know.

Thanks,

Charles Keplar

Thank you for that information. The F-1 reports have already been amended and should be within PDC guidelines now.

If possible, I would amend my response to the complaint to the following:
