

**Public Disclosure Commission Statement of Understanding
Active in Democracy Tacoma Firefighters Union PDC Case 161362**

I hereby acknowledge that I, MATTHEW FRANK, did not timely and/or accurately file one or more C-3 or C-4 reports with the Public Disclosure Commission (PDC) as required by RCW 42.17A.235 and 42.17A.240.

Completing this *Statement of Understanding* is my acknowledgment of violating RCW 42.17A.235 and[/or?] 42.17A.240. This admission will be considered in future enforcement matters should I fail to timely file mandatory C-3 or C-4 reports again and could result in higher penalties.

I have filed and/or amended my C-3 and/or C-4 reports due to date in the campaign.

I understand that this will resolve all issues with the PDC regarding my failure to timely file the C-3 and/or C-4 reports to date in the campaign at issue, provided that this signed Statement of Understanding is emailed or mailed to the PDC on or before November 29, 2024.
