

To Whom it May Concern,

In the initial set up of the 2024 campaign in ORCA, I used the 2023 campaign as reference. In 2023 we did not make contributions, therefore, I missed the dropdown arrow to include the elections in the current year. Had I selected those, the filing dates would have been populated for me and I would have filed them timely. I have filed the C-4 that was due on Oct 15 on Oct 29 and I filed the C-4 due on Oct 29 on Oct 29.
