

Stephen Jeffrey Wilson replied 12 Nov 2024

To: PDC Support

As per the complaint filed against me, Stephen Jeffrey Wilson, I would like to write this response:

With regards to my campaign, I admit that there were two pieces of information left out of some of my advertisements. One being the address under the "paid for by" portion and the other being party preference. I am not disputing this oversight, but would like to explain the omission. These compliance pieces were included when working with the vendors. However, when it came to final drafts they were missed.

Attached you will find a pdf with the visual ads published online or in print with local vendors. Below you will find the message sent to vendors we worked with requesting that they include this information. "As a reminder, please add that the ad is paid for by Jeff Wilson, He is running as a Republican and his address is PO Box 2885, Longview, WA 98632."

Please let me know if you need any other information.
