Complaint Description
<p>Conner Edwards reported via the portal (Mon, 23 Sep 2024 at 3:39 PM)</p> <p>Description of Complaint</p> <p>This C4 was filed 7 days after the deadline, see link: https://apollo.pdc.wa.gov/public/registrations/campaign-finance-report/110239393</p> <p>Additionally, there are a number of expenditures that do not include addresses for the expenditure recipients. There are also a number of expenditures that do not include any expenditure description whatsoever.</p> <p>Additionally (as of 9/23/24) this committee has not yet filed a C3 or C4 covering August yet. If they had more than \$750 worth of financial activity since July 31, that would mean the report is late.</p> <p>This committee has previously received two warning letters for failure to timely/accurately report C3/C4 reports.</p> <p>(Most Recent Warning) See link: https://pdc-case-tracking.s3.us-gov-west-1.amazonaws.com/7068/155615%20Thurston%20County%20Democrats%20Warning%20-%20Respondent.pdf</p> <p>"The formal written warning will include staff's expectation that Thurston County Democrats timely file all future required reports of contributions and expenditures. The Commission will consider the formal written warning in deciding on further Commission action if there are future violations of PDC laws or rules"</p> <p>(2nd Most Recent Warning) Link: https://pdc-case-tracking.s3.us-gov-west-1.amazonaws.com/6094/141204%20Thurston%20Co%20Democrats%20Warning%20Reminder%20Letter.pdf</p> <p>"In the future, PDC staff expect you to 1) timely file Campaign Summary Receipts & Expenditures reports (C-4 reports) and Cash Receipts, Monetary Contributions reports (C-3 reports); 2) timely update your Committee Registration (C-1pc report) within 10 days of any material changes; and 3) preserve the committee's books of account, bills, receipts, and other financial records for no less than five calendar years. The Commission will consider this formal written warning in deciding on further Commission action if there are future violations of PDC laws or rules."</p> <p>Notice to Respondent</p> <p>I apologize to you for any inconvenience caused by this complaint.</p> <p>This complaint is one of hundreds that I have filed to highlight and ultimately fix the significant shortcomings associated with the agency responsible for administering our state's campaign finance laws.</p> <p>What are these shortcomings?</p> <p>Overcomplicated and outdated requirements that are difficult to understand and comply with. Failure to properly educate filers about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully</p>

enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.

I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency's problems become impossible to ignore.

Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: <https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/>

If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.

“Be the change that you wish to see in the world.”

— Mahatma Gandhi

What impact does the alleged violation(s) have on the public?

The PDC has an obligation to provide transparency to the voters by enforcing filing requirements. The agency's failure to actively monitor the filings of committees and enforce filing requirements damages both the public and the candidates themselves.
