Good Afternoon,

Thank you for your email. I am writing in response to PDC Case Number **161843**. It appears I erroneously selected the "mini-reporting" that had been the donation standard for the previous committee's filing. After reviewing the guidance, based on this finding, the individual amount exceeded the threshold for mini-reporting.

I apologize for the oversight, I will need amend reports as part of this case and would like to take your office up on the offer to be assigned a **Filer Assistance Specialist** in order to receive timely and coordinated guidance. I had sent a request for PDC personnel to look at our records during the July 2024 opening timeframe; however, I did not hear back and mistakenly assumed that we were within the parameters of meeting the requirements.

Thank you, again, for your assistance in this matter.

Very Respectfully,

Sara L. Bernardy
