

Colin and PDC:

Treasurer Brent Kirby updated C4 report number 110251494 to include the sub-vendor (Capital City Press) and added the number of yard signs involved (25).

The amended C4 is 110260794. The 8th Legislative District Democratic Central Committee believes this amended C4 addresses the complaint involved in PDC case No. 162614.

Please note that C4 110252341 is not the 8th LDDCC report in question. We do not address it here, believing it was a copy-paste error within Mr. Morgan's narrative and was carried over into the email. The original complaint from Mr. Morgan correctly references our original C4 (110251494).

We thank Mr. Morgan for his time.
