Complaint Description
<p>Bob Brown, Jr. reported via the portal (Fri, 22 Nov 2024 at 4:17 PM)</p> <p>I have additional photographs of material and attendees and videos. The website would only allow me to upload 3 photos. Email me with a link that I can provide additional Critical evidence.</p>
What impact does the alleged violation(s) have on the public?
Use of public facilities to influence the outcome of an election ballot initiative.
List of attached evidence or contact information where evidence may be found
<p>This complaint that I am filing is that the Northshore School Board engaged in announcing a Special Meeting-Town Hall on Tuesday, October 15, 2024 in reference to a NO I2109 Capital gains Initiative, by providing only one side to the general public. I am filing a complaint against the Northshore School District School Board for violation pf RCW 42.17.555 (Public facilities may not be used to support or oppose a candidate or ballot proposition). The school board utilized the use of district facilities, a clear violation. In addition, the school district/board did NOT distribute an objective and fair presentation of the facts for the I2109 ballot measure but provided only one side - the NO on I2109 Capital Gains Initiative.</p> <p>PTS's may use school facilities for meetings supporting or opposing a ballot measure to the extend that the facilities are made available on an equal access, nondiscriminatory basis, of which was NOT done. They clearly opposed a ballot measure I2109.</p> <p>4 NO on I2109 signs were placed on and inside school grounds at the North Creek High School prior to the Special Meeting-Town Hall. And all of the signs were removed afterwards and video and photographs were obtained and are included here as exhibits. All of the literature on the table was all NO on I2109 literature. There was no YES on I2109 literature present for attendees. Photographs were obtained. All of the speakers that presented and spoke were all speaking for the NO on I2109. When asked if there were any speakers invited and present to speak on behalf of the Yes on I2109 the answer was no. There were three Northshore School Board members present: President Amy Cast, Sandy Hayes and Jacqueline McGourty. They were asked why they were there and they all three responded they were there to answer any questions. They did say when asked if they had not passed a Board resolution endorsing I2109. Others present that presented on the No I2109 ballot initiative were Calvin Jones who is the Outreach Director for Defend Washington, who also presented a slide presentation on the NO on I2109. Davina Duerr a member of the Democrat state House 1st Legislative District also spoke on NO on I2109. Shelley Kloba a Democrat House representative from the 1st District was present and she acted as the moderator. Kristina Brown, a lobbyist with Kingering.org was also a speaker at the event and spoke on being supportive of NO on I2109, lobbying for NO I2109. It should be noted that Brown as of this date has not filed her October 2024 Lobbying report to the PDC. The moderator Shelley Kloba opened up for questions on the NO for I2109. It appeared that there were only two individuals from the public present that asked questions and pushed back to the NO on I2109. There were no presenters on the YES for I2109. When asked if there were going to be any Yes on I2109 presenters-the response was no. Photos were taken of some of the attendees listed.</p> <p>Facts & Evidence provided:</p> <ol style="list-style-type: none"> On 9/1/2024 at 7:09 p.m., Northshore School Board President Amy Cast sent an email to Superintendent Tolley stating that Representative Duerr had reached out to her to see if Northshore could help support a town hall at NCHS (North Creek High School) to discuss the capital gains initiative. Tolley responded to Cast on 9/2/204 7:26 P.M. stating he would work with staff to determine if and when one maybe possible. Cast responded back on 9/3/2024 at 7:41 A.M. with a date of 10/13/2024. Cast responded on 9/10/2024 at 7:39 a.m. stating Rep. Duerr would like October 16, 2024 as the date. Cast responded on 9/10/2024 at 8:15 a.m. stating they wanted to use the NCHS Commons at 6:00 p.m. Tuesday, October 15, 2024. Vanessa Greek the facilities specialist at the Northshore School District responded on 9/10/2024 at 2:34 p.m. to the room request. On 9/10/2024 at 11:10 a.m. President Amy Cast wrote to Davina Duerr stating the North Creek team is able to support the request for a public forum at North Creek on Tuesday, October 15 at 6. Cast in her email suggested putting up a sign or two outside to help community members find the Commons. On 9/10/2024 at 2:57 p.m. Peggy King the Administrative Assistant to the Superintendent and the Board of Directors sent an email to Vanessa Greek with a note that read "I have just the Board request for a Town Hall Oct 15 @ 6:00 PM"

9. On 10/11/2024 at 8:20 a.m. President Amy Cast sent an email to Peggy King stating she Cast would be getting there early to help setup.
10. On 10/10/2024 President Amy Cast sent an email to Peggy King stating that three Board members would be attending the event, and that a microphone would be needed.
11. On 10/10/2024 President Amy Cast Sent an email to Davina Duerr with information about the event, including suggesting put up signage.
12. On 10/11/2024 at 4:23 p.m. Emily Bass from Shelly Kloba's office sent an email to Peggy King with instructions for chairs and tables needed and where to be placed, and information that one of the speakers had slides to show and needed a projector and screen.
13. On 10/10/2024 at 7:23 p.m. Emily Bass the Communications Director for Shelley Kolba sent an email on behalf of Shelley Kolba and Davina Duerr with instructions.

Included as exhibits are all the pertinent emails from the Northshore School District.

The official Notice of the Special Meeting-Town Hall from the Northshore School Board, and confirmation of location.

Pictures of Shelley Kloba at the event and pictures of Amy Cast, Sandy Hayes and Jacqueline McGourty the Board at the meeting.

Pictures of four different No on I2109 signs placed on different locations on the North Creek High School campus.

Picture of Superintendent Tolley entering the event. Note: It did not appear that Tolley stayed for the event.

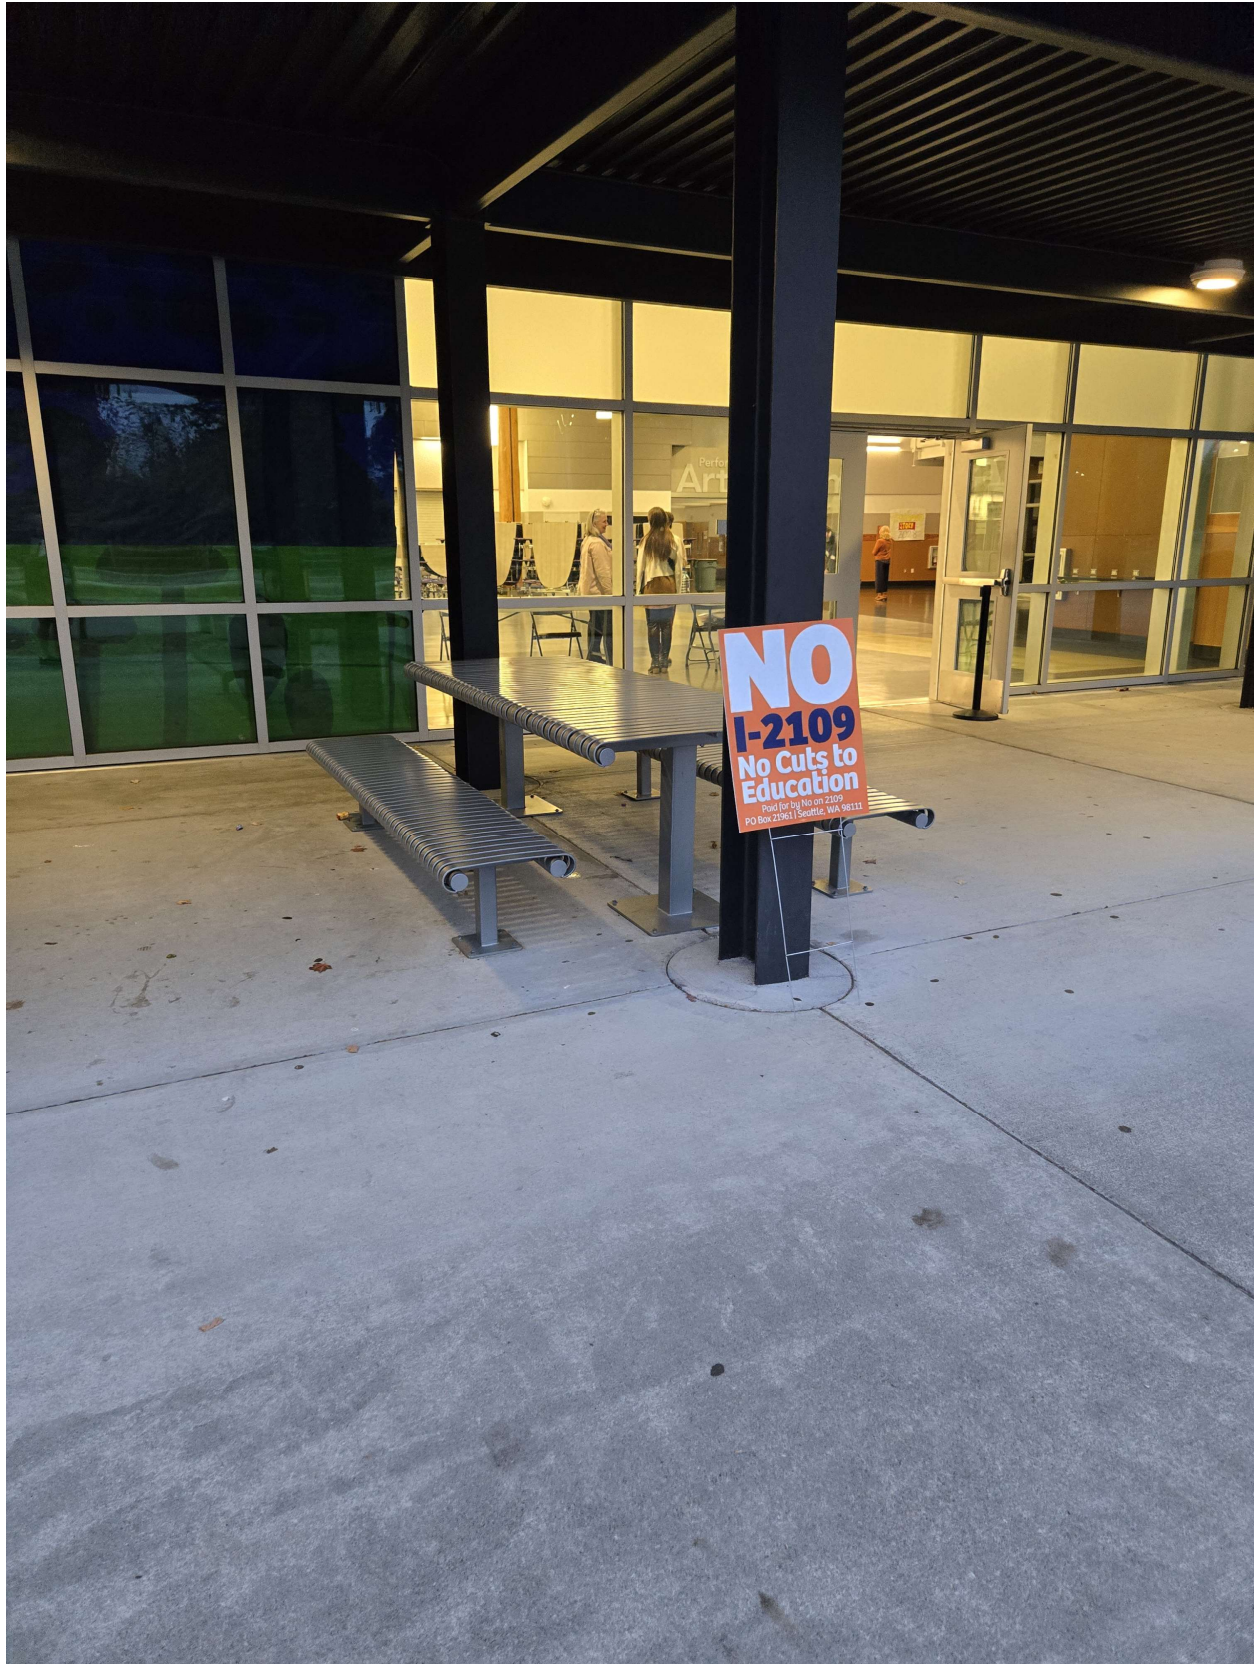

Videos of Davina Duerr leaving with three others and one of the males removes one of the NO I2109 signs and hands it to Duerr who then places it into a silver SUV in which she departs in.

event planning

There will not be anyone in the office at that time. Any arrangements they need to make for chair, table set up should be communicated to the Facility Manager, Lawrence Riebs a few days prior to this date. If they need any type of technology, that will need to be arranged with Office Manager, Bonni Ruchty a week prior to the event. It is at the discretion of each school administration to allow use of district equipment by others. I cannot commit this. Actual tech help is not available as our custodial staff is limited to helping connect to the NCHS monitor or sound system only. They would need to be sure they have the right cords, dongles, etc.

Re: Request for space to host a community meeting

From Peggy King <pking2@nsd.org>

Date Tue 9/10/2024 3:30 PM

To Vanessa Greek <vgreek@nsd.org>; Ingrid Nelson <inelson@nsd.org>

Hi Vanessa,

I read your email for October 15 as we could book NCHS and you would bump community cheer (see below) and have already made a notification to the parties involved.

Hi Peggy,

We should be able to book access that cannot begin before 6pm. So, this would be their set up time. We have Cheer in the space until 5:45 p.m. and I will bump the community junior cheer group.

Who is the district contact or Board Member to take the lead and be present for this? *There will not be anyone in the office at that time. Any arrangements they need to make for chair, table set up should be communicated to the Facility Manager, Lawrence Riebs a few days prior to this date. If they need any type of technology, that will need to be arranged with Office Manager, Bonni Ruchty a week prior to the event. Ok, so we are cancelling the potential CPMS use on 10/17 for a Listen and Learn? Was there another October Listen and Learn date being considered? Srinivas was going to look at CP for ???

10/15 we cannot book at NCHS due to the same Cheer use in the Commons. Are we looking at a potential use at CP for the Town Hall?

Hi Peggy,

My head is spinning with the multiple requests for district meetings and events at NCHS the last few days. Can you list for me the outstanding event requests for the community and district and most current dates you are waiting to have confirmed? I want to be sure I do not miss anything, and I do not feel like we have much confirmed. It will be good to see all of this in one email.

Thank you,

Hello President Cast,

A headcount would be helpful, as there is only a short window of time for set-up given there is a group in the space until 5:45 pm.

I am assuming lunch tables will be fine, if not we will need to make other arrangements and would need a headcount by the end of today.

I will ensure I am onsite at 5:30 pm to ensure the microphone is accessible etc.

Hi all,

We will have 3 board members at this Tuesday so can we publish it and include info on it in the Friday brief?

Also, I've only heard that we will only need a microphone when it comes to technology. I'm trying to get a projected headcount to help us decide about table set up.

Thank you!

Subject: Public Forum at NCHS on Oct 15

Davina,

Our North Creek team is able to support the request for a public forum at North Creek on Tuesday, Oct 15 at 6. Here are some important/helpful notes for you:

- Any needed table & chair set-up needs to be sent to the Facility Manager a few days before the event. So please let us know what you are thinking.
- Similarly, any technology needs to be set to the Office Manager a week before the event. It seems you will just need a microphone, but let's confirm that.
- There is a cheer team using the space until 5:45 so there is not much time for set up. This will most likely mean a start a little after 6 for you, but I think we can be nimble.
- As North Creek has 3 separate buildings, I suggest you have a sign or two for outside to help community members find the Commons.
- I will be there, and I assume a few other board members will be as well (Jackie, as the board leg rep, has been kept up to speed as well).

Let us know if you, Shelly or April need anything else.

See you then!

Hi Peggy,

Yes, for the chairs - audience style would be perfect. As for the tables, I was thinking two by the entrance to sign people in and hand out informational materials and one at the front for speakers.

Also, I just heard from one of said speakers that there is interest in putting up a few slides. Is there projector/screen capacity?

Thank you so much,
Emily

Hello!

I'm reaching back out on behalf of Davina and Shelley about the i-2109 event next week, to answer your questions.

- *Tables & Chairs:* I'm thinking 40 chairs and 3 tables would be great!
- *Technology:* a microphone would also be great
- *Set-Up:* no worries at all about the quick turn-around, we have the event starting at 6:30 for attendees so that should give us plenty of time.
- *Signs:* we can definitely bring signs, do you think 2 is enough?

Thank you all so much for all your help, we are so excited about this event - especially the opportunity to host it at North Creek! If you have any other questions or concerns before Tuesday, please don't hesitate to reach out.

All my best,
Emily
