Summary and Resolution

Based on our findings, staff has determined that, in this instance, any violation that may have occurred was minor and has been cured. After consideration of the circumstances, further proceedings would not serve the purposes of this chapter. Under WAC 390-37-060, the executive director, at any time prior to consideration by the commission, may dismiss a complaint which on its face, or as shown by investigation, provides reason to believe that a violation has occurred, but also shows that the respondent

is in substantial compliance with the relevant statutes or rules, or shows that formal enforcement action is not warranted.

Pursuant to WAC 390-37-060(1)(d), however, you are receiving a formal written warning concerning Timely and accurately filing C-4 reports. The formal written warning will include staff's expectation that you timely file all future required reports of contributions and expenditures. The Commission will consider the formal written warning in deciding on further Commission action if there are future violations of PDC laws or rules.

Based on this information, the PDC has dismissed this matter in accordance with [RCW 42.17A.755\(1\)](#).

Any allegations regarding reporting by you for the calendar year 2024 that are not otherwise addressed are hereby dismissed.
