Subject: PDC Case 164577 regarding Washington Teamsters Legislative League

Washington Teamsters Legislative League:

The Public Disclosure Commission (PDC) completed its review of the complaint filed by Conner Edwards on November 8, 2024. The complaint(S) alleged violations of: RCW 42.17A.235 & .240 for failure to timely and accurately file expenditure reports.

Applicable Laws & Rules

- RCW 42.17A.235 describes the required filing deadlines for disclosure of campaign finance activities including monetary contributions.
- RCW 42.17A.240 requires committees to file accurate campaign finance reports with the Public Disclosure Commission.

Background & Findings

- The Respondent is a registered political committee that was participating in the 2024 election under the Full Reporting option.
- The Respondent filed C-4 (expenditure) Reports on a monthly schedule, instead of updating their account to report the 21-day, 7-day pre-election reports.
- The individual that oversaw filing for the committee thought they were filing correctly and apologized for the error, indicating that they understand how to file correctly in the future.
- The Respondent does not have previous warnings/violations of PDC requirements.

Summary and Resolution

Having reviewed the complaint and the supporting evidence, PDC staff has determined that the committee appears to have violated RCW 42.17A. Based on the guidance provided to PDC staff by the Commission at its January 23, 2025, meeting, this matter is being resolved with a warning in accordance with [RCW 42.17A.755\(1\)](#) and [WAC 390-37-060\(1\)\(d\)](#) due to current caseloads.

Based on this information, the PDC has dismissed this matter in accordance with [RCW 42.17A.755\(1\)](#). Any allegations regarding reporting by you for the 2024 campaign that are not otherwise addressed are also hereby dismissed.

You are required to comply with all PDC requirements in the future. Failure to do so could lead to further enforcement action.
