What impact does the alleged violation(s) have on the public?
<p>Spokane Indivisible has formed and has a Facebook page created to politically oppose certain elected officials specifically US Congressman Michael Baumgartner. They have staged takeover of a recent townhall with the intention to silence community members and constituents from having an open dialogue with their congressman. I searched PDC data base for Indivisible Spokane but could find no listing but did find 4 others with same name Indivisible on the West side of State</p>
