To address the complaint regarding Snowball, it was reimbursement to me (the treasurer) for the yearly fee for the platform we use for electronic contributions. I have attached the invoice and receipt for 2024. I have just submitted for reimbursement for the 2025 Snowball fee of \$549.00. How do we need to document this in our reporting to be in compliance? I have the 2025 invoice and receipt.

We will update the statement of registration.
