Hello,

I am trying to respond to this complaint. I have reviewed the in-kind contributions and included employer information where it was missing. I attempted to amend the C4 but was unsuccessful. I need some guidance to accomplish this.

As far as vendor information, I am unsure what is required. The donors do not include where they get the contents of their baskets or any of their donations.

I confess that I was not aware of there was a limit to the value of the items. This is the last year I will be volunteering as treasurer. I am in the process of turning the task over to a new person. We plan to complete that process in June.

Please advise me on amending the reports, and how to approach the vendor information (which I do not have). Thank you.
