Mr. Agina,

As Treasurer for the A Better Richland Committee I, Robert Slovic, admit that I did not file the February 2025 C4 report in a timely manner. I request that the PDC put me on probation until the end of October 2025. If I file all required C4 reports on time in that period, please close this complaint.

With regards that I did not identify to whom I paid for the post office box rental, I amended and submitted the C4 report to indicate that I paid the Richland, WA US Post Office for the box rental.

Robert Slovic

Treasurer

A Better Richland
