Thank you Tanya,

I was referring to a separate case that is related to this one. I will be working on amendments for case 170823. I obviously can't do anything about the late filings, but have spoken with Ashley Carlson about the reasonings behind them.

For the following:

*10,000 expenditure on this report*

*(<https://apollo.pdc.wa.gov/public/registrations/campaignfinance-report/110243150>) the committee reports a \$10,000 donation to "No On". The full name of the recipient committee is not provided. I have amended the name - I am not sure how the end got cut off. Do I need to file an amendment?*

*Additionally, on the same report, the committee reports a \$20,845.00 payment to "Washington Health Care Assoc." for wages for "Lauri St. Ours, Eric Negomir, Carma Matti-Jackson" however the sub vendor breakdown and addresses are not included. Additionally, on the same report, the full names of the recipient candidate committees are not provided. This is for staff wages - which is noted under the category. How to I amend to correct this issue? We have this expenditure each month.*

*Additionally, as of the time of this writing, this PAC has failed to file a C4 covering December 2024, even though a deposit of over \$750 occurred during this month. See link: <https://apollo.pdc.wa.gov/public/registrations/campaign-finance-report/110278020> . Finally, at the time of this writing, this PAC has not filed a single report covering 2025. Both of these were addressed last week as a result of amendments and conversation with Ashley on case 170168.*
