To Whom It May Concern,

I am writing to respectfully acknowledge and take full responsibility for the late submission of my Personal Financial Affairs Statement (F-1). As a first-time candidate, I now understand that the F-1 is due within two weeks of publicly announcing my candidacy and intent to raise funds, not within two weeks of Filing Week, as was initially misinterpreted during the early stages of my campaign.

I want to sincerely apologize for this oversight. I am fully committed to complying with all PDC regulations and take this obligation seriously. Upon realizing the mistake, I immediately submitted the required form and have taken steps to ensure all future filings are timely and accurate.

This has been a learning experience, and I am grateful for the transparency and accountability the PDC provides to ensure integrity in our state's election process. I respectfully request that the Commission take into consideration that this was an unintentional error made in good faith by a new candidate still becoming familiar with the process.

Thank you for your time, consideration, and for the important work you do.
