Hi Erick,

Thank you for taking my call last week.

I filed Silong Chhun's March C4 on April 7th. On April 28th, the committee and I noticed that the Financial Overview on PDC's website did not reflect the contributions received. I called the PDC to get assistance and discovered that I had only saved the period's C3s instead of filing them. It was a human error, and I corrected the mistake on April 28th.

I have also amended the Capitol City Press expense on February 17th to include the quantity of business cards purchased.

Thank you,

Leisa Leibbrand (she/her)
