Complaint Description
Jeff Lyon reported via the portal (Sat, 21 Jun 2025 at 9:32 PM) Troy Anderson, a candidate for Woodinville City Council, has committed violations of RCW 42.17A and WAC 390 by placing an estimated 100+ political yard signs throughout the City of Woodinville that do not contain the legally required sponsor identification and disclosure statements. Under RCW 42.17A.320 and WAC 390-18-010, political advertising, including yard signs, must clearly state the sponsor's name and, in many cases, their financial responsibility.
What impact does the alleged violation(s) have on the public?
These violations undermine transparency and voter trust by concealing who is responsible for the campaign's messaging. Disclosure statements are essential for accountability and help the public identify whether a sign is candidate-sponsored or an independent expenditure.
List of attached evidence or contact information where evidence may be found
Several examples of non-complaint signs are attached. More than 40 images of signs in various locations around the city can be provided upon request.
