Hi Tabitha,

Regarding Allegation one. My website did have similar verbiage to other candidates and we have updated to hopefully fully comply with disclosure.

Regarding Allegation two. I was doing my best to complete the reports on my own and reached out on 4/24 to the PDC for help and got a response from Scott Haley on 4/28 regarding reporting to PDC. I still had trouble working through the requirements and I elected to reach out to a professional who has had experience with PDC filings, this took longer than anticipated. I understand the importance of timely filings and regret any inconvenience this delay may have caused. Now that I have resolved the bookkeeping issue, we are working diligently to ensure all reports are timely filed going forward. Thank you for your understanding. Please let me know if you require any further details. I am not trying to hide anything from the voters. Hopefully the reporting is updated to compliance now.
