Hello Tabatha.

I received no campaign contributions and had no campaign expenditures from January 13th through April 30th. I just filed my C4 (the one due June 10th) detailing the contributions and expenditures received from May 1st through the 31st of May.

If you need anything else from me please reach back out.

Thanks!

Hi Tabatha.

I just got off the phone with Ladelle in your office. She helped me amend the C4 that I filed yesterday. She also had me remove the \$50 carry-forward balance from my last campaign and change it to a contribution. This caused a C3 report to be created back-dated to January 13th.

She also mentioned that your IT department was working on fixing the issue where the loans were also being shown as contributions in my Financial Overview section of my candidate page.

If you need anything else from me please let me know.

Sincerely,

Bruce White
