Hi Tanya,

Based on the allegations outlined below, I have made the following updates to the website: **Janefortukwila.com**.

I apologize for the delay in filing my C3 report for the \$1,000 contribution received in April. As someone new to campaigning, I am still learning to navigate this process. I was waiting to complete the ORCA training, which unfortunately caused a delay in submitting the report. Please note that the contribution will be included in my May C4 report.

Thank you for your understanding.

Best regards,

Jane Ho
