Hello Erick,

I've read the violations & know that there were mistakes made. Some that I was aware of before this complaint, others that I was not aware of. A few were made while I was trying to learn the reporting timelines during an election, but the most recent ones were just an unfortunate situation on my end. And the sub-vendor & run dates are new to me!?

- We reported the \$1000 from Dreon, deposited on 12/19/24, C4 submitted 1/21/25.
- \$102.82 from Dreon deposited 1/28/25, C4 reported 2/11/25 (due 2/4/25). Already disclosed to the PDC that I missed that date by mistake in response to a reminder email from the PDC at the time.
- The \$4100 C4 was late, filed 6/2/25 but due on 5/10/25. This was when my husband shattered his ankle & Citizens' things were put on a back burner while I juggled our family alone for a few weeks.
- C4 due 5/10/25 was filed late on 6/2/25. See the above explanation.
- As for the Seeley Media "Subvendor & Run Dates", I truly don't understand this. Is it an option when filing an expenditure?

Please advise as to how we should proceed.

Thank you,

Gina
