

Complaint Against: PROGRESS FOR PUBLIC SAFETY PAC /LACEY PROFESSIONAL FIRE FIGHTERS L2903 (PPS-PAC)

Submitted: 7/1/2025

Notice to Respondent Due By: 7/11/2025 per WAC 390-37-050(1)

90 Day Initial Hearing Deadline: 9/29/2025 per RCW 42.17A.755(3)

Statutes Violated: RCW 42.17A.235, .240

Background

Washington State's Campaign Finance Disclosure Law

One of the primary purposes of the public disclosure law is to provide citizens of this state, and especially voters, with the means for becoming informed about the financing of political campaigns.¹ The public disclosure law was enacted through voter approval of Initiative 276 in 1972.

State law requires candidates and committees that register under full reporting to submit regular reports of financial activity. Those reports are filed on schedules outlined on the PDC's key reporting dates calendar.²

Violations

This committee previously received a reminder letter for the late-filing of reports, see link:

This C4 report was filed 17 days after the deadline, see link:

<https://apollo.pdc.wa.gov/public/registrations/campaign-finance-report/110294340>

Additionally, on this C4 report, the committee failed to disclose the quantity of hoodies purchased, see link: <https://apollo.pdc.wa.gov/public/registrations/campaign-finance-report/110268478>

Additionally, on their final C4 covering 2024, the committee reported an ending balance of \$38,939.86, see link: <https://apollo.pdc.wa.gov/public/registrations/campaign-finance-report/110268478> .

However, on the committee's opening balance for 2025, the committee reported an opening balance of \$38,646.58, see link: <https://apollo.pdc.wa.gov/public/registrations/campaign-finance-report/110269778> . This discrepancy suggests incomplete reporting of contributions/expenditures.

Additionally, despite donating to candidates participating in the 2024 general election, the committee failed to file 21- and 7-day pre-general C4 reports, see link: <https://pdc.wa.gov/political-disclosure-reporting-data/browse-search-data/committees/co-2024-15848#overview> The

committee also appears to have failed to timely file the required 21-and 7-day pre-primary C4 reports.

Conclusion

I urge the PDC staff to take quick action and resolve the noncompliance identified in this complaint.

Notice to Respondent

I apologize to you for any inconvenience caused by this complaint. The chance that you will actually be fined for the violations identified above is extremely small because the agency is averse to doing the work necessary to bring cases to hearings. Most likely this case – and any future cases against you – will simply be dismissed by staff.

This complaint is one of over one thousand complaints that I have filed to highlight and ultimately fix the significant shortcomings associated with the agency responsible for administering our state's campaign finance laws.

What are these shortcomings?

Overcomplicated and outdated requirements that are difficult to understand and comply with. Failure to properly educate the regulated community about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.

I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency's problems become impossible to ignore.

Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: <https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/>

If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.
