Dear folks at the PDC,

Yes, I was just recently made aware that I need to put information about sponsorship of my campaign signs. These few signs are signs I used in my previous campaign, when I believe there was not this requirement.

We have put out about 6 signs, and are in the process of ordering stickers to declare "Paid for by Karen Guzak Campaign 1429 Ave D #612, Snohomish WA" to place on our remaining signs, not yet installed.

We will remove the few signs that are non-compliant.
