Dear Mr. Agina

My name is Roger Jones and I am the treasurer of the Asotin County Democrats. Regarding this violation I have been working with Diana Izaguirre out of your office since May 2, 2025 to resolve this matter. She has been wonderful in her assistance, and I believe we are close to resolution. As Diana can probably better articulate we made errors in closing out our 2024 committee campaign and opening our 2025 committee campaign. We also failed to properly close out our 2024 campaign as well as a distant campaign from 2009 (in which none of us were associated with). Please advise if you need additional information on this matter. It was a simple administrative error and a misunderstanding on carry forward bank balances.

Thanks

Roger Jones

ACD Treasurer
