**Response Regarding Alleged RCW 42.17A.320 Violation:**

As a first-time candidate, I acknowledge the oversight in omitting sponsor identification on some of my campaign signage. I take full responsibility and am actively taking steps to correct the issue in good faith.

All campaign signs that were gifted to private citizens are now considered the property of those individuals. I will be contacting each resident and requested that they either:

- Return the signs so that I may add the proper sponsor identification, **or**
- Apply a handwritten or printed label that reads:

**“Paid for by Dustin4Mayor, 15318 Chad Dr SE, Yelm, WA”**

In addition, I am in the process of removing any signs placed in public areas and will ensure each one is corrected before being reposted.

Again, this was an unintentional error on my part. I appreciate the opportunity to correct it and remain committed to full compliance with all campaign regulations moving forward.

Respectfully,

**Dustin Stephan**

Candidate for Mayor, City of Yelm
