<b>Complaint Description</b>
<p>Michael Patrick Loughry</p> <p>Sat, 12 Jul 2025 at 9:12 AM</p> <p>Yard signs for Lynda Schram, placed around public rights-of-way throughout the Northshore School District, do not include any sponsor ID. This is made even more suspect by how prolific these signs have been placed in public rights-of-way, seemingly always in conjunction with signs for Lynda Schram, who is running for a separate position on the same school board.</p>
<b>What impact does the alleged violation(s) have on the public?</b>
<p>Lynda Schram has yet reported zero expenses, despite the absolute proliferation of these yard signs. It is unclear whether the candidate has failed to report expenses, or whether these signs are being paid for by an outside group. The fact that these signs seem to always be placed in conjunction with JoAn Tolentino's signs for a different position on the same school board leads me to believe this is paid for by an outside group.</p>
<b>List of attached evidence or contact information where evidence may be found</b>
<p>A photo of one such sign placed in a public right-of-way.</p>
<b>List of potential witnesses with contact information to reach them</b>
<b>Certification (Complainant)</b>
<p>I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.</p>
