External Email

Thank you for your email. I mistakenly sent an email from my City of Port Townsend email address in reply to a journalist asking whether I was endorsing a candidate in this year's Council election. It did not occur to me at the time that I should have sent my reply from my personal email and was instead simply focused on replying to the journalist. I was not intentionally acting in my official capacity and I will be more careful to use my personal email in the future for electoral communications. Thank you.
