I realized that the person that has done all my signs did not include that. It was on the yard signs that were ordered first. I did not look closing at them before I put them up. Once noticed, I ordered lettering to include the needed verbiage. It has already been installed on all signs

I don't think I answered when it was fixed. I got the lettering on Thursday night, fixed the one on the 8x40 on highway 20 and the ones on R Ave on Friday. It was windy and difficult to I waited on the other two at the round about on highway 20 until Saturday.

Hi Tanya,

Mary LaFleur updated the banners this past weekend to include that they were paid for by the committee to elect Mary LaFleur for Port Commissioner. Westward Designs did not charge for the correction as it was an honest oversight and corrected as soon as our party was made aware.

- 8 – 8' x 3' banners @ \$115.00 per banner were done by Westward Designs LLC via Invoice # 4724 and paid on 05/23/25. Reported on C-4 report # 110287305 covering 05/01/2025 – 05/31/2025 (see attached – highlighted the banner charge at the bottom). I also attached the Westward invoice for reference.
- 1 – 8' x 10' banner @ \$920.00 + 4 8' x 3' banners @ \$115.00 per banner were done by Westward Designs LLC via Invoice # 4748 and paid on 07/01/2025. Reported on C-4 report # 110297107 covering 06/01/2025 – 07/14/2025 (see attached – highlighted the banner charge at the bottom). I also attached the Westward invoice for reference.

We have submitted our C-4 that is due tomorrow 07/29/25. All C-3 reports have been reported to current as well.

I believe that should be everything, so please let us know if there are any other details you might need.

Thank you so much,

Julie McKee
