Good morning Micaiah,

I hope all is well with you. I just wanted to follow up and let you know of several things that, hopefully, get reported but as Largo Wales' last C3 report was 9/6 I am not optimistic.

-At least 2 more mass mailers sent out

-1/2 page ad in the reporter

-More smaller ads in the reporter (I can not recall how many I have included, but she is up to at least 9, 10 if she has one in this week's issue.

-An event held at the Lakeland Community Center on 9/28. Unless reimbursed, this would be an inkind donation by Darci Bidman. The community center rents for \$90/hour and they paid for 3 hours. They served food.

In reviewing Largo Wales' history, I am fairly certain that she had money left from her last campaign for City Council (2 years) ago and know several donors from that campaign who were not consulted on the reallocation of funds as the campaign changed to Mayor. I am not 100% certain she has used those funds, but it would not surprise me.

Additionally, another television ad is running.

Good morning Micaiah!

I just wanted to update you that another mailer has been sent out, to that same mailing list of voters. Another 2 ads (her 12th and 13th I believe, as at least one has been running each week) has also run in the Auburn Reporter.

Liz

Hi Micaiah,

Just wanted to let you know that another mailer has been sent, and another video (that I am uncertain if it is playing as an official commercial yet) has been created. Largo had an online commercial created at the beginning of the campaign that I have also yet to see listed in any of her C4s.

Speaking of which, a lump of reports were filed yesterday - but no C4 was filed when the due date for C4s was yesterday.

I have to say, this is getting VERY frustrating, knowing that the election is only 3 weeks away and it feels like her campaign is getting away with brazenly breaking campaign finance laws.

Micaiah,

Make that *two* mailers and continual Facebook page ads (which are paid to have featured in users newsfeeds).

Micaiah,

I just wanted to update that at least one more mailer has gone out, three more ads in the weekly Auburn Reporter have been published (of varying sizes - one being over half a page), a an animated video short was produced and posted on her campagain facebook page and another television commercial has begun running.

Still no C4 report.
